

INDIAN WATER WORKS ASSOCIATION

58th IWWA ANNUAL CONVENTION 2026

22nd to 24th January 2026

Design Today - Sustain Tomorrow

Venue : Manthan Hall, MIT Campus
Chhatrapati Sambhajinagar

Organized by

Indian Water Works Association, Mumbai Centre

In Association with

IWWA, Chhatrapati Sambhajinagar Centre

and

**Department of Civil Engineering,
Maharashtra Institute of Technology, CSN**
and

Dr. Babasaheb Ambedkar Marathwada University, CSN

About Indian Water Works Association (IWWA)

Indian Water Works Association (IWWA) is a voluntary organization of professionals connected with the water supply for domestic, industrial and agricultural uses, its treatment and disposal of wastewater. IWWA focuses basically on the entire "Water Cycle" encompassing the environmental, social, institutional and financing issues. Founded in 1968 with head-quarters at Mumbai having 36 centers spread across the country with a membership about 14000 professionals all over the country and aboard. At the international levels it has relations with other similar associations such as: International Water Association (IWA), American Water Works Association (AWWA), and Japan Water Works Association (JWWA). Besides conducting various knowledge sharing activities by various centers, every year an Annual Convention is organized.

About Indian Water Works Association (IWWA), Mumbai Centre

For the year, 2026, IWWA Mumbai Centre is organizing the annual convention at Chhatrapati Sambhaji Nagar (Aurangabad) city. The theme of the convention is Design Today – Sustain Tomorrow. Our associates are IWWA Chhatrapati Sambhaji Nagar Center, Department of Civil Engineering, Maharashtra Institute of Technology, Chhatrapati Sambhaji Nagar and Dr. Babasaheb Ambedkar Marathwada University, CSN

The 58th IWWA Annual Convention will be held during 22nd, 23rd and 24th January 2026, in Manthan Hall, MIT West Campus, Chhatrapati Sambhaji Nagar, Maharashtra, India – 431010.

About Venue city - Chhatrapati Sambhaji Nagar

Chhatrapati Sambhaji Nagar is Capital of Marathwada Region and Centre of Maharashtra. It is known as Tourism Capital of Maharashtra. Located around, Ajanta Caves and Ellora Caves are UNESCO World Heritage Sites; 3 of the 12 Hindu Jyotirlinga temples mentioned in the Shiva Purana are in Marathwada. (Grishneshwar Temple (Chhatrapati Sambhaji Nagar district), Aundha Nagnath Temple (Hingoli district) and Shri Vaijnath Temple (Parli, Beed district). Devgiri Fort, Bibi ka Makbara (mini replica of Taj Mahal), an ancient Pawan Chakki are the added attraction. Jayakwadi Dam is one of the longest earthen dams in Asia (with a total storage capacity of 2,909 million cum and total catchment area of dam is 21,750 Sq.km) is also located around. The Paithan City, the home of Pathani Sarees and the Shirdi town are also nearby.

Technical Session

Technical Session are comprising of key note addresses, paper presentations and product, ventures presentation. As IWWA's convention aims at bringing solutions to field issues and the topics that shall enrich our knowledge, we collected the Technical Contents in two folds. We have invited renowned veterans and in parallel we have made call for paper through IWWA Mumbai center developed website, <http://selectmyarticle.com/>. We have received a thumping response and we have provided approvals to the submitted abstracts of with due scrutiny from our reviewers. The selected authors are in process of submitting the Technical Papers and final selection shall be done with further scrutiny from our reviewers.

We solicit technical and financial support from various water and waste sector industries to make happen this convention in memorable.

Main Themes for IWWA-2026 Convention

1. Sustainable Water Management : Water Supply and Wastewater Systems
2. Intermittent and Continuous Water Supply Systems..... Transformations
3. Advance Technologies in Water Treatment and Sanitation
4. Enhancing Climate Resilience: Adaptive Solutions in Water Supply, Sanitation, and Wastewater Treatment
5. Water Security: Enhancing Supply, Quality, and Treatment for Future Generations
6. Water Resources and Storm Water Management
7. Smart Water Solutions: Optimizing Water Supply, Wastewater Management, and Resource Efficiency
8. Applications of Geographical Information Systems (GIS) in Water Supply, Sanitation and Storm Management
9. Water Supply Systems Design, Optimization and Reliability Aspects
10. Tunnels & Micro-tunnelling for Water and Wastewater Conveyance
11. Promoting a Circular Economy Approach for Sustainable Water Management, Net Zero Aspects
12. Smart Water Management Systems and Digital Technologies for Enhanced Efficiency
13. Environmental and Social Aspects related to Resource and Supply Management
14. Aquifers, Ground water Quality and Risks
15. Prospects, Resilience, Pricing, and Challenges in Implementing Equitable Urban Water Supply Systems

Important Notes to Authors

Organizing Committee invites the professionals and academicians to present their works as Technical papers and posters on all above-mentioned themes and sub-themes.

Convention will provide platform to share the knowledge and experience to have better water management in future. Engineers, Scientists, Academician, Manufactures, Consultants, Users, NGOs, and Government officials are invited to actively participate in the technical sessions.

There shall be Key Note address in plenary sessions by eminent person working in the field. Besides this there shall be parallel sessions on different sub themes. Special sessions on varied subjects shall be added flavors.

The selected paper / Poster shall be included in the souvenir and for presentation in final program. There are awards for best papers in various themes selected by Eminent Juries. The Technical committee decision shall be final on selection of papers. We request authors to register as a delegate for the convention paying participant charges and make his / her own arrangement to attend the convention.

Technical Paper Submission Schedule

Submission of final paper after peer review comments	30th November 2025
Final selection and intimation of Author	15th December 2025

Tentative Technical Program Schedule

TIME	22.01.2026 (DAY 1)
08.30 to 09:30	Registration
09:30 to 11:30	Inaugural Session
11:30 to 12.00	High Tea Break
12.00 to 13.30	Modak Memorial & Raman Endowment addresses
13:30 to 14.30	Lunch
14.30 to 16.00	Parallel Technical Sessions – I
16.00 to 16.30	High Tea Break
16.30 to 17.00	Live Demonstration of Ferro Cement Storage Tank Construction and Exhibition Visits
17.00 to 18.30	Annual General Body Meeting
18.30 onwards	Cultural Program and Dinner

TIME	23.01.2026 (DAY 2)
09:30 to 11:00	Plenary Session – I and Commercial Presentations
11:00 to 11.30	High Tea Break
11.30 to 13.30	Parallel Technical Sessions – II
13:30 to 14.30	Lunch
14.30 to 16.00	Parallel Technical Sessions – III
16.00 to 16.30	High Tea Break
16.30 to 17.00	Live Demonstration of Ferro Cement Storage Tank Construction and Exhibition Visits
16.30 to 18.00	Plenary Session – III and commercial presentations
19.30 onwards	Convention Banquet

TIME	24.01.2026 (DAY 3)
09:30 to 11:00	Plenary Session – III and Commercial Presentations
11:00 to 11.30	High Tea Break
11.30 to 13.30	Parallel Technical Session – IV

58th IWWA ANNUAL CONVENTION 2026

22nd to 24th January 2026

Design Today - Sustain Tomorrow

Venue : Manthan Hall, MIT Campus, Chhatrapati Sambhajinagar

Delegate Registration Form

Name	
Organisation	
Designation	
IWWA Membership No.	
IWWA COM Member	(Yes / No)
Opting for Home Stay	(Yes / No)
Email	
Mobile	

- Kindly fill the Delegate Registration Form with relevant details.
After due verification delegate shall receive an acknowledgement email
- Participating Delegates can visit website - <https://iwwamumbai.info/58th-iwwa-convention-2026/>
Select Delegate Registration and fill the form and submit it online.
- Alternatively, the above form to be filled up and emailed to - iwwamc@gmail.com
with relevant payment details.
- COM members to mention their identity in the Designation
- Student Delegates Stay Arrangements** : Home Stay / Dormitories / Economy Hotels
- Home Stay for Delegates** : Dr. Munish Sharma, Director General, MIT, CSN has introduced this brilliant concept.
On the outset of we often connecting only in Virtual Modes, he suggested Human Interface for bringing people together. His idea is that faculty & Students staying in CSN shall offer the Outstation Students and Delegates free of cost stay at their residence during the convention.

Organized by
Indian Water Works Association, Mumbai Centre

In Association with

IWWA, Chhatrapati Sambhajinagar Centre
and

Department of Civil Engineering,
Maharashtra Institute of Technology, CSN
and

Dr. Babasaheb Ambedkar Marathwada University, CSN

Places of Attraction

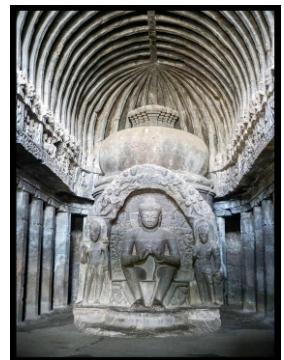

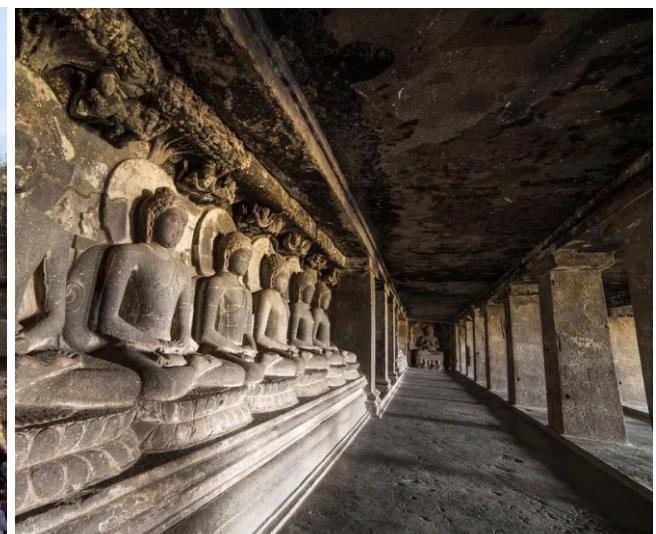

About the Host City

The City is a tourist hub, surrounded by many historical monuments, including the Ajanta Caves and Ellora Caves, which are UNESCO World Heritage Sites, in close proximity, attracting over 1.7 million domestic and over 50000 foreign tourists.

Chhatrapati Sambhajinagar (formerly known as Aurangabad), also known for two ASI protected monuments - Bibi ka Maqbara and Aurangabad caves as well as Devgiri Fort. In 2010, the Maharashtra Tourism Minister declared Chhatrapati Sambhajinagar to be the tourism capital of Maharashtra.

Connectivity :

Well connected by Air, Railway and road with major cities of Maharashtra and India. Nagpur-Chhatrapati Sambhajinagar-Mumbai Expressway 'Samruddhi Mahamarg'. Chhatrapati Sambhajinagar is approximately 300+ kms from Mumbai and can be reached via train, bus or flight.
